when i think of our untimely end

and everything we could have been

i cry, baby i cry

ok so it's 5am and

i still can't sleep

i took some medicine

but it's not working

someone's clinging to me

and it's bittersweet

'cause he's head over heels

but it ain't that deep

i finally changed my number

got a different pager

then last saturday

your cousin called to say you're

tryin' to reach me

probably because you see thar

i'm with someone new

CHORUS:

late at night like a little child

wandering around alone in my new

friends home  
on my tippy toes  
so that he won't know  
i still cry baby  
over you and me  
sipping bailey's cream  
by the stereo  
trying to find relief  
on the radio  
i'm suppressing the tears  
but they start to flow  
'cause the next song i hear  
is a song i wrote  
when we first got together  
early that september  
i can't bear to listen  
so i might as well drift  
in the kitchen  
pour another glass or two  
and try to forget you  
REPEAT CHORUS  
SNOOP'S VERSE  
REPEAT CHORUS(3x
