Da-da-da-day, da-da-da-da-day-ay, Da-da-da-day, da-  
da-da-da-day-ay  
Da-da-da-day, da-da-da-da-day-ay

If the shoe fits I want you to wear it,  
and wear it good,  
ah-ah, ah-ah-yeah, ah-ah-hah

Talkin' 'bout them times when I was by myself,  
I would always be lookin' for somebody else  
But as time went on I had a talk with my mind,  
friends like you and you I gotta leave behind

And so, you call me your friend but you only want my  
gifts  
And I'll never see you if I had no loot,  
I'll never see them  
I'm just glad I know the truth  
and I'm payin' my own bills  
and I'll never ever depend on you

Friends and enemies around me everyday,  
I can't believe half the things they say  
Takin' me for granted givin' no credit at all,  
I'll just keep bouncin' like a bouncin' ball  
Everybody seems to disappear on me,  
can't trust no one as far as I can see  
If I could be that fly that's on the wall, listenin' to my  
friends talk about it all

You call me your friend  
but you only want my gifts  
And I'll never see you if I had no loot,  
I'll never see them  
I'm just glad I know the truth  
and I'm payin' my own bills  
And I'll never ever depend on you,  
some soul you are

I don't mean to step on nobody's foot, but ah -

When I need somebody there's nobody to call

When they need me,  
my phone rings off the wall  
But these are my friends  
and that so what they say  
Constantly takin' from me everyday, you say

You call me your friend  
but you only want my gifts  
And I'll never see you if I had no loot,  
I'll never see them  
I'm just glad I know the truth  
and I'm payin' my own bills  
And I'll never ever depend on you,  
some soul you are
