[Too \$hort]

All the time, gettin mine, that's why I'm pimpin

That's why I'm pimpin, all the time

Gettin mine..

That's how we do it, straight pimpin

All the time, all the time

It's the original, D-O-G, Short Dawg

They said don't do it, but I gotta go off

You talked a lot of shit and can't back it up

Say you make a lot of money and can't stack enough

Spend it on the strippers and the prostitutes

Do what you gotta do

No SoundScans got your record label hot at you

They droppin you, two years ago we was poppin you

You was talkin shit about nobody stoppin you

I told the lil' homey a long time ago

If you put your mind to it, you can find some dough

It don't matter, even if yo' pockets kinda low

All you gotta do is knock a fine ass hoe

Fuck that bitch like a porno star

Walk her to the corner I bet she won't go far

I knew the day would come when you would notice it

Get wise and realize bein broke ain't shit

Chorus: Too \$hort

That's why I'm pimpin, all the time

Gettin hoes to give me money, I'm gettin mine

You know I ain't lyin

Cause what I spend and what I'm ridin is the shit

That's why I do this; straight pimpin, all the time

If you see my bitch hoein, I'm gettin mine

You know I ain't lyin, tricks love what I'm supplyin

It's the shit, that's why I do this

[Too \$hort]

It's been around a long time

Pimpin, manipulatin minds, prostitutin women

Pussy - is worth a lot of money

She says that everyday you gotta pay me when you
want me
Tricks like to fuck and do that freaky shit
You know I kick my hoe ass, she don't bring me gifts
I'm talkin cold cash money, nothin else'll do
Get my money bitch you better fuck until he's through
Make that trick come quick, and don't stop him
And if he's slippin, you better rob him
Go out and turn another date, don't hesitate
You know daddy loves you when you keep my money
straight
You ride the best cars, eat good, and drink fat
You can't do this shit without me don't you ever think
that
Recognize my bald head and my gangsta limp
Damn it feels good to be a pimp

Chorus

[Too \$hort]
I hear you squares, you try to criticize us players
But when the pussy's on sale I see you always there
A good customer, you know yo' game ain't tough
And even though we came up doin all the same stuff
I'm a pimp, I turn a bitch out quick
Have her standin on the corner tryin to get some dick
Lay on yo' back bitch, and get my cash
Cause if you don't, I gotta kick yo' ass
Fuck all that drama
This ain't HBO I whup you like yo' momma
If you don't pay me hoe, I do this everyday
I check bitches and get paid
I want the money I ain't tryin to get laid
Ain't nuttin new about this shit, it's the oldest
profession
Sellin pussy while it's snowin at the coldest intersection
I know how you feel about me, you love me
Turnin tricks thinkin of me

Chorus

[Too \$hort]
All the time..
