You call that a dance?
Look like you fuckin the Invisible Man
I wanna put my hand - in between yo' legs, and grip it
Stick my finger in you, see if you with it
so I can hit it - know what I mean?
Freak nasty, all on my thing
I never seen nothin like that
I'm lookin at the cat - it's lookin back
But don't doubt me, cause when I put my mind to it

[Chorus]
I wanna fuck this bitch; I wanna hit that shit
I want her to suck my dick - can I get it real quick?

I want her to suck my dick - can I get it real quick
beitch?
[Too \$hort]
