-Yeah, you know
-We in the house
-This the last motherfuckin song we gone do on this album ya'll
-Ain't no need in wasting the beat, shit funky than a motherfucker
-We gone spit that game to ya'll
-And I'm gone tell you one time and one time only
-Don't fuck for free
-Don't fuck for free, I'm tellin ya
-Cause when you do, you gets nathan
-Nothing, not a got damn dime for your time bitch
-So ahh, ya gone let me spit this, can I do it?
-Short Dawg gone spit a little something to ya, check it out
I've been mackin these bitches all my life
And not once have I thought about havin a wife
Short Dawg in the house, once again
The one you couldn't get with, so i fucked your friend
Cause I'm a mack, doin what a mack should do
I just scratch, just to make a rap or two
You got to ?? to live, than lay up with me
Can't go to streets, lay up with me
Cause I'm a fuck all night, til I turn you out
If the pussy get dry bitch, work ya mouth
I get a ??? city hoe and take her cash
I break her old funky ass
it ain't nothin like a player from the O
Lettin you know i'm a pimp you a hoe
Nasty ass bitches, wanna fuck with me
I need money, and Sort don't fuck for free
