featuring D'Wayne Wiggins

Chorus: D' Wayne Wiggins

How does it feel when ya livin like that and ya pockets
are fat?

Cuz you're a playa and you're pimpin hoes

So tell me how does it feel when ya money aint right
and ya pockets are tight?

You're still a hustla and you can't let go

Verse 1:

When I was broke I used to feel the pain

Now I got money aint nothin changed

Same hustla tryin to hold on to what I got

And thats alot, players like me can't be stopped

I was starvin, couldn't afford a TV Dinner

But now I roll around in a DB-7

Throwin up the two, to the hoes and pimps

It's all about the money, you know what I'm gettin

How the fuck you think I felt when I was broke

All the rumors I got killed and I was smoked

I tell the truth, I don't care how you feel about me

I'm still in the game and you still gotta see

My face goin down the muthafuckin street

Top down, beat loud with a top-notch freak

You say it aint real life

Cuz you don't know what it feels like, beyotch

Chorus

Verse 2:

I feel like I'm a million dollar bill

Still in the game, all about the real

Can't feel sorry for you, do your thang

Don't be mad at the world cuz you can't hang

If you feel like doin somethin that aint productive

Look in the mirror, check yourself and say
