Don't be scared.. I don't bite  
Lick sum'in, lick sum'in, lick sum'in (uhh)  
Get ya lick on  
(This, is, the, G-mix)

[Lil' Cease] + (Snoop)  
(When I'm fuckin off gin I'm invincible)  
Don't love no hoe (That's my principle)  
Cause ahh.. (Bitches come)  
And ahh.. (Bitches go)  
That's why I get my nut and I be out the fuckin do'  
Say knick, knack, give ya dog a bone  
Which one of you broads Cease can take home  
Cease is a freak, big brown and large  
Fuck with the hoes, big light and tall  
It take two to make the thing go right  
Strip, flash, titties, ass  
Oh, no, Cease-A-Leo baby  
All up in that ass, you so crazy  
I'm a freak from the heart and I'll fuck for y'all  
And your mouth hit the spot where I rest my balls  
I pimp to die, and my mob pimp for me  
That's why Cease never eat chicks for free, you feel me?

[Chorus: repeat 2X]  
How many, hot licks does it take?  
Mami, how many hot licks does it take  
(I don't know, I don't know, just keep on lickin it)  
But how many, hot licks does it take?

[Snoop Dogg]  
Break breakin a bitch  
Take takin a bitch, to a whole 'nother level and shit

Man, I didn't really wanna take her there  
Because, she kept on pullin on my underwear  
I don't send for hoes, I pimp for hoes  
I do this for dis and dose  
"Figaro, Figaro.."  
Nigga we got hoes, we got hoes.. we got hoes  
Fo', five, six, seven.. licks  
Now mami, lick it again  
Eight, nine, ten, eleven.. twelve  
Now tell all your friends  
Bring Keisha, Evette, and Shamika too  
Brandy and Sandy and lil' bitty Candy  
And we doin this all night long  
Get ya pick on lick on, and your proper freak on

[Chorus]

[Lil' Kim]  
(This is the G-mix)  
Ladies and gentlemen, pimps and hoes  
I'd like to present to you  
(This is the G-mix)  
The winner of the Gangstress of the Year Award  
Introducin the Queeeeeeeen..

I don't need no introduction, they know who I be  
Female mack with the gangsta rap  
How many licks niggaz just not knowin  
So a bitch like me don't stop flowin  
My money green and it don't stop growin  
Ice like the winter and it don't stop snowin  
M.A.F.I.A., that's the crew that I bang for  
Grew up in the hood now what the fuck I'm gon' change  
for  
Vuitton sweaters wit leathers and amourettas  
Berratas inside of but still nobody do it better  
Huh, ya never seen this stroke of genius  
Put the cleanest meanest lips on ya penis  
It's like that once you lick the kitty cat  
Niggaz don't know how to act, leavin diamonds in my  
ass crack  
Now all my niggaz now, all my bitches now  
C'mon like Nelly, c'mon take it down down

[Chorus] - repeat to fade
