twinkle twinkle little star  
how i wonder what you are  
up above the world so high  
like a diamond in the sky

star light star bright  
the first star i see tonight  
i wish i may i wish i might  
have a wish i wish tonight

twinkle twinkle little star  
how i wonder what you are  
i have so many wishes to make  
most of all its her i state

just one girl  
that i've been dreaming of  
i wish that i could have all her love  
(oh oh)  
i wish i may i wish i might  
have the dream i dream tonight  
(oO Baby)

twinkle twinkle little star  
how i wonder what you are  
i wanna girl who'll be all mine  
the one to say that im her guy

someone sweet that's for sure  
i wanna be the guy she's looking for  
(oh oh)  
I wish i may i wish i might  
have the girl i wish tonight  
(oO baby..)

twinkle twinkle little star  
how i wonder what you are  
up above the world so high  
like a diamond in the sky

star light star bright

(the girl who'll be making wishes on)  
the first star i see tonight  
(Oh Oh)  
have the wish i wish tonight
