We are the people who's come here to play
I don't like it easy, I don't like the straight way
We're in the middle of something, we're here to stay
And we raise our heads for the color red

I'm in the first row on your show
In the first row on the First Floor Power show
Your vibrato's like vulnerable leaves
You do it crazy, that's how you talk to me

We are the people who's come here to play
I don't like it easy, I don't like the straight way
We're in the middle of something, we're here to stay
And we raise our heads for the color red

I heard you for the first time on the radio
When I was going somewhere in a car
You touched my heart like a knife that's very sharp
Or like a bird you just set free
That's just like me when I hear you speak

We are the people who's come here to play
I don't like it easy, I don't like the straight way
We're in the middle of something, we're here to stay
And we raise our heads for the color red

I like vanilla and I like sex
I ride the pony that I like best
I knew I knew that there was something I missed
I was fifteen when I first got kissed
Before I knew about the equality way
I wanted to get laid to "Take My Breath Away"

We are the people who's come here to play
I don't like it easy, I don't like the straight way
We're in the middle of something, we're here to stay
And we raise our heads for the color red

We are the people who's come here to play
I don't like it easy, I don't like the straight way
We're in the middle of something, we're here to stay

And we raise our heads for the color red
