You know my other side
I can no longer hide
Let You down so many times
Sin freshly crucifies

Thought that I had a plan
I had it all figured out
But the more that You tried
To be by my side
The more I push You out

Lord make me over
Lord make me over
Lord make me over

Make me over again
Make me over again
Make me over again
Make me over again

Time after time I failed You
Pierced your side
When they already nailed You
Jesus heal my open wounds
I just want to be more like You

Father I let You down
What's not like you just take it out
Reconcile me Jesus
I just want to please You
Wash me and make me whole

Lord make me over
Lord make me over
Lord make me over

Make me over again
Make me over again
Make me over again
Make me over again
Make me over again

Lord make me over
Lord make me over
Lord make me over

Make me over again
Make me over again
Make me over again
Make me over again

Lord make me over
Lord make me over
Lord make me over

Make me over again
Make me over again
Make me over again
Make me over again
