I know where you are.
You're behind the light I'm staring at, silently hiding.
How could something so bright be so blinding?
Painfully blindingâ€¦

It's not hard to fall for you, just as much to fall away
from you.
You have suffered and died for me to gain life.
I never askedâ€¦

Reveal yourself to me.
I want to bleed with you 'til that day comes.
I want to build my world around you,
with no inclination to fear reason, passion, desire.

I know I can't deny.
This world's full of lies,
but each time I close my eyes,
I see every knee bowed down unto you.
Heaven and earth conspire for your glory.
So here I am, my Lord,
I'm going to give my all.
I'm going to give my all to you.

It's not hard to fall for you, just as much to fall away
from you.
You have suffered and died for me to gain life.
I never askedâ€¦

Reveal yourself to me.
I want to bleed with you 'til that day comes.
I want to build my world around you,
with no inclination to fear reason, passion, desire.

You are worthy. You are worthy. You are worthy.
Of all. Of all. Of allâ€¦ (repeat)

Reveal yourself to me.
I want to bleed with you 'til that day comes.
I want to build my world around you.
