sampled, [...] crowd/chorus  
All right, sorry we're late  
But here we are, for one night only!  
Live on stage ?out on video?  
[JAMS have a party  
JAMS have a party  
JAMS have a party  
JAMS have a party]  
All we need is a beatbox for people who only need a  
beat  
You may want to hear some scratching just to hear a DJ  
scratch  
Got to have some House so let the master play his tune

? or maybe 'this is the beat' ?  
Stop playing trumpet  
Did you hear what I ?meant?  
[Mu! Mu!] build a fire  
[Mu! Mu!] stoke it good  
[Mu! Mu!] throw them on  
[Mu! Mu!] and watch the bastards burn  
[JAMS have a party  
JAMS have a party  
JAMS have a party  
JAMS have a party]

Burn the bastards  
all right then  
take me to the bells  
just take me to the bells  
I wanna hear the bells  
[Mu! Mu!] Five to twelve  
[Mu! Mu!] almost gone  
[Mu! Mu!] 1987  
[Mu! Mu!] what the fuck have we done?  
[JAMS have a party  
JAMS have a party  
JAMS have a party  
JAMS have a party]

Alright, let's groove!

[JAMS have a party  
JAMS have a party]  
Oh play that beat  
[JAMS have a party  
JAMS have a party]
