Mmmm-hmmm-yeah
Mmmm-hmmm-yeah
Mmmm-hmmm-yeah
Mmmm-hmmm
Mmmm-hmmm-yeah
Mmmm-hmmm-yeah
Mmmm-hmmm-yeah
Who-nanananana
Mmmm-hmmm

They're justified and they're ancient
And they like to roam the land
They're justified and they're ancient
I hope you understand
They don't want to upset the apple cart
And they don't want to cause any harm
But if you don't like what they're going to do
You better not stop them cause they're coming through

Now it's time, now it's time to...Kick out The Jams

The notes'll flow, yo for the words I speak
Rap is weak so I teach and I preach
A positive vibe, a way of life is how I'm livin'
So get hype to the rhythm
KLF is the crew, ya hear yeah
Design a rhyme I just won't fear
Back to react, enough is enough
Let me ask you a question: What Time Is Love?
W-What time is love? Love, love, love, love

I wanna see you sweat
I wanna see you sweat...
Okay Houston, we'll give you a countdown...
four, three, two, one, fire
I wanna see you

The final chapter, prophetic, poetic
When I'm done, this calls for anesthetic
Get to, step to, let an MC
Come in effect with Kingboy D

A wannabe, gonnabe, old time sucker
You know the time, I never stutter
A feat, a dream, a-yeah seem bright
Yeah, pass the mic. What Time Is Love?
W-What time is love? Love, love, love, love

I wanna see you sweat
I wanna see you sweat
I wanna see you sweat
I wanna see you sweat
I wanna see you sweat
I wanna see you sweat
I wanna see you
I wanna see you
I wanna see you sweat
I wanna see you sweat
I wanna see you sweat
thank you, thank you
