I wanna be loved by you  
just you and nobody else but you  
I wanna be loved by you - alone.

I wanna be kissed by you  
just you and nobody else but you  
I wanna be kissed by you - alone.

I couldn't aspire  
to anything higher  
and to feel the desire  
to make you my own.

I wanna be loved by you - alone.  
just you and nobody else but you  
I wanna be loved by you - alone.

I couldn't aspire  
to anything higher  
and to feel the desire  
to make you my own.

I wanna be loved by you  
just you and nobody else but you  
I wanna be loved by you - alone.
