Bitch ain't nothing but a word

Too Short Feat Icecube

Too Short:

Now take my bitch  
She won't complain about shit cus she's my ho  
She don't belong to a trick  
So when you fuck her and give her all your cash  
I get paid or put my foot in her ass  
I won't marry the bitch and give her half  
I get more head and then I laugh  
At that one bitch shit I got a gang of Hoes  
I get freaks ass lick these balls and toes

Icecube:

Now stupid little bitches get tossed  
If they don't realise I'm the motherfucking boss  
Come on down and get your ass pinched  
And if you talk shit get your ass lynched  
Cus I'm the B. the I. the T. the C. the H.  
The K. the I. the L. the L.the A. Icecube  
A nigga that's bigger then a nut  
Cus a bitch is a bitch is a hoe is a slut

Too Short:

You say how can I call a woman a bitch  
It ain't nothing but a word like shit  
Ain't no slippin in my mutha-fucking pimpin  
And all bitches ain't women  
You come home and get smooth cussed out  
You got a bitch with a foul assed mouth  
Scared to chip her with a left hook  
Youz a bitch in my book  
Bitch

Icecube:

My nigger (Jinx???) made the mix  
So punkass mutha-fucking bitches get the eighty-six  
I keep hoes on five  
Cus I'm fucking more pussy then the law allows  
With my boy Too Short  
See he quick to grab a bitch by the throat  
And slam her ass cram her ass  
With a fat dick cus she's a trick bitch

Too Short:

I like fat bitches and I like em slim  
I take a fat bitch and stick my dick right in her  
Big fat ass she'll make me come again  
I'm mack daddy bitch fuck her friend  
I saw your home girl she said what's up with us  
I said nothing fucked her on the tour bus  
She got it good too dick down on the floor  
The bitch was fine but her pussy ain't as good as yours

Icecube:

Well she's a straggler struggler straight Salome  
smuggler  
Every time I see the bitch, she's looking uglier  
And if you got a trick ass on your left  
Sitting there with dick on her breath  
Last night she sucked my dick now she's kissing little  
man  
Won't even suck my dick unless cut out the middle man  
And if you have never heard of me  
Youz a bitch  
It ain't but a word to me

Female voice:

I'll stop calling ya Biotch

Too Short:

Man Fuck these hoes man, ya know  
(nappy ass bitch ass tramp ass sluty ass hoe)

Female voice:

I'll stop calling ya, Biotch

Too Short:

I go hard on a bitch fuck respect for ya men  
I get my way with a bitch when I act like a pimp  
Always carrying bank but I fooled the bitch  
Cause all she ever got was to drool on my dick

Ice Cube will slap a hoe for the fuck of it  
Just like me and that's some real shit  
Bitch got bold with her loud ass mouth  
Tough ass bitch got knocked out  
You know a bitch ain't nuthin but a word to me  
Some of you punks are just scared to see  
If you could call that bitch a bitch you would  
And if you can't you probably should  
I'm spitting game to you mark ass lames  
On how how to get a bitch and treat the bitch like shit  
You can't buy love all pimps know that  
It's all about the way old Short Dogg macks  
Don't hold the bitch hand or walk side by side  
Go first class every time you fly  
She'll go Greyhound and just meet you there  
I'm just an ice cold hard ass Oakland player  
You want to tongue kiss bitch it figures  
I introduce you to my homeboy Richard  
Also known by his nickname dick  
Now lets tongue kiss bitch

Ice Cube:

I like big butts so let it be known to the public  
I bust a rap or two and the bitches love it  
I'm only out for one thing so hate me  
I ain't the one so don't try to fade me  
I don't wear too much gold because it's tacky  
I bust a Raider hat T-Shirt and Khakis  
See a lot of hoes in freaky clothes everyday  
So I talk to em in any ole can I way  
See a bitch need a nigger to coach em  
So I grab my dick and smoothly approach em  
I say "hi" and I'm friendly kind of pitched  
If they ignore me then I say "Yo freak bitch"  
Give up the number hardly we'll have a slumber party  
You see I'll fuck you to death and then I'll dump the  
body  
Cause I'm a nigger that's bigger than crew or a gang  
And when it comes to bitches I'm out for only one thang  
Yo bitch ain't nothing but a word to me Short
