[Pretty Boy]

Yo Fox and \$hort, yo  
Don't let that pretty shit fool you, yo  
I ain't pay that bitch phone bill

[Foxy]

This is for all my ballin' ass bitches  
All over, worldwide  
Shake them thighs for them hots  
For all my niggas on every street corner  
That's right, love y'all niggas

1 - [T\$] This is for the baller bitch, you all a bitch  
My nigga's never call her bitch, we all be rich  
[Foxy] So \$hort, what you mean?  
[T\$] I bet I be a poor girl's dream  
More money than she ever seen

[Foxy] This is for the baller cats, all the cats  
That want a bitch to lay on her back  
The hell with that  
[T\$] So Fox what you mean?  
[Foxy] Bet I be a poor nigga's dream  
More money than he ever seen

[Too-Short]

Yo, yo, kiss the projects goodbye  
I'mma change you bitch  
I'mma have niggas thinkin you a famous bitch  
Here's the keys to the Benz, but don't start the car  
If you good I'mma let you park the car  
From a straight broke-ass to a baller-bitch  
They got no other choice but to call you rich  
I got hella fly ladies, never cry ladies  
Those cheat-on-they-man type tell a lie ladies  
Diamond rings, platinum chains  
Tell 'em "Baller Bitch" when they ask your name  
I say strut that strut, walk that walk  
Pop that shit, talk that talk  
Hold your head high, be proud of this life  
Pray to God that you never fall out of this life

'Cause it's much more better than all world scenes  
Bitch, open up your eyes, it's a poor girl's dream

Repeat 1

[Foxy]

Kiss that jail shit goodbye, I'mma lace you, nigga  
I'mma have bitches thinkin' you a famous nigga  
Blaze the keys to the crib,
