Right about now in the place to be  
Too \$hort baby  
Gettin' real funky with the motherfuckin' Dangerous  
Crew bitch  
With that old school

Too \$hort baby, I'm so hard  
Pimpin' these hoes on the boulevard  
But I'm not here to tell ya 'bout me  
I got a little story 'bout a nasty freak

She's the kind of girl you think about in bed  
Blow job Betty givin' real good head  
Bust a left nut, right nut in her jaw  
Sperm on her cheeks is all ya saw

She could blow more head than a whale blows water  
Blow job Betty make your dick get harder  
She's a one of a kind, a hell of a girl  
A trip and a half around the world

Catch her gettin' busy, bitch wouldn't stop  
She's the kind of girl that'll make your toes pop  
Every time I used to see her, I would know what's up  
Blow job Betty better blow me up

I remember the day when I first met her  
Bitch kinda loose so I knew, I'd get her  
Walked up to her said  
"My name is \$hort just what you've been lookin' for"

Pimp is my game, I do it the best  
Hoe fuck with me, she don't get no rest  
Well after that, I G'ed the freak  
I used to stop by and fuck about twice a week

And from the very first time I went to her house  
Walked in the door and stuck my dick in her mouth  
\$hort Dog'll get bitches anytime I wanna  
Got a big dick and lay it right on her tonsils

Only stick it in about half way back

'Cause if I put it all in, it bust straight through her neck  
Niggas always sayin' how they fucked that bitch  
But I'm the only nigga that the bitch made rich

Like any other tramp she loved to fuck  
With any motherfucker got nuts to suck  
I spit game to the bitch, just like this  
Why you runnin' round suckin' all that dick for no  
money?

It didn't take long to stay true to the game  
And get my pimpin' on  
But every once in a while you get a stupid hoe  
Bitch ain't about money and she'll never know how to  
get it

Blow job Betty was dumb  
A fiend for a fuck and a mouth full of cum  
She made money for a minute but she loved the sex  
So I cut the bitch loose like a old school vet

6 months later, I'm still a pimp, I'm still a player  
One night at a club, she was puttin' in work  
All you had to do was step up to her  
She was in the bathroom sayin' one at a time

Wasn't my bitch but she still was fine  
So I went in the back room, seen the bitch  
Slapped her on the head, said, "You ready to switch?"  
And to the players out there

Instantly, Blow job Betty started servin' me  
'Cause the player I am to the day, I'm dead  
I was sittin' on the sink gettin' some head  
It was all so good and much too true

One young freak and a whole damn crew  
But then I shot that fatal nut  
Must of knocked that bitch on her butt  
She couldn't even breathe, she was holdin' her throat

Me and my homies just hit the door  
My homeboy said, "\$hort don't worry"  
But that next day, I read this story  
A young girl died just last night

She choked on sperm in her windpipe  
It was on her face, her neck and chest  
And we're sorry to say  
There's no suspect

When I saw that my brain clicked  
I bust a nut and killed a bitch  
It might sound sick, it might be petty  
But ya never been sucked by Blow job Betty

Beeyatch  
Yeah hoe, y'all niggas don't know though, that's it
