She's a bitch, say what, bitch? Don't get it twisted
Sup with that little crazy man, it is what it is
Yeah, yeah, tryin' to get with that, mayne

You call that a dance?
Look like you fuckin' the Invisible Man
I wanna put my hand in between yo' legs and grip it
Stick my finger in you, see if you with it

So I can hit it, know what I mean?
Freak nasty, all on my thing
I never seen nothin' like that
I'm lookin' at the cat, it's lookin' back

But don't doubt me 'cause when I put my mind to it
I take my time, I run a line through it
And what? Get up in them guts
I make you scream while I'm fuckin' it up, bitch

I wanna fuck this bitch, I wanna hit that shit
I want her to suck my dick, can I get it real quick?
I wanna fuck this bitch, I wanna hit that shit
I want her to suck my dick, can I get it real quick, bitch?

She's shakin' that ass but she ain't no whore
What is she? She's on the dance floor wantin' more
She's a freak, alcohol
She went to sit down and was about to fall

She's too drunk but that's cool
I'm 'bout to take her to the old school
Big fuckin', yeah, at the house drinkin', yeah
I do this every weekend

And on the weekdays, I do the same thing
Gettin' all this love that the game brings
I cain't sing but my songs made me rich pimpin'
Now watch me break this bitch

I wanna fuck this bitch, I wanna hit that shit
I want her to suck my dick, can I get it real quick?
I wanna fuck this bitch, I wanna hit that shit

I want her to suck my dick, can I get it real quick, bitch?

I walked up to her and said, "Whassup?
I love the way you dance, I bet you can fuck"
That's when she blushed, I started spittin' it
Give me two hours, I'll be hittin' it, up in it

Gettin' it, while the gettin' is good
I made her grab my dick, I knew she would
And when she felt it, it was on
She said, "Take me home", sure did

And two rubbers later, she was whipped, whipped her
Forever my bitch
But don't trip 'cause I ain't, I ain't trippin'
It's small things to a giant

I'm 'bout to fuck this bitch, I'm 'bout to hit that shit
Make a bitch suck my dick, can I get it real quick?
I'm 'bout to fuck this bitch, I'm 'bout to hit that shit
She got to suck my dick
