Yeah, you know, we always tryin' to get this money  
That's what we do  
It ain't easy but I'm tellin' you, it ain't hard either  
All you gotta do is keep hustlin' man, don't ever give up

I don't care what it is, handle yo' biz  
Forget about the woulda, coulda and if I did's  
'Cause that's just the past, you know it never lasts  
And you know how time flies by so fast

Look at rap music, they said it was a fad  
But now it's takin' over and I'm so glad  
'Cause I never stopped rappin' but that's what I do  
If you quit yo' thang, you might never find the truth

I had choices in life, I coulda did somethin' else  
I did what I wanted to, I did it for myself  
Now whatcha gon' do with yo' life  
People try to tell you what to do, it's yo' life

You better make the most of it, live to the fullest  
Think positive and don't dwell on the bullshit  
I can't tell you no better  
If you thinkin' 'bout quittin,' don't ever

Don't ever give up, I know it ain't workin'  
It's been a long time, you never stop tryin'  
But you can't quit, you gotta keep goin'  
You already knowin', you can't give up

Don't ever give up, give it all you got  
It only gets better, never say never  
You know you can't quit, you gotta keep goin'  
You already knowin', you can't give up, you just can't

Comin' up is hard, givin' up is easy  
You always get the game from your homey Too Sheezy  
I keep it so real, never spit it false  
I hope you make it big and if you ever fall off

Remember these words, it's only what you make it  
Anything is possible you want it better take it

I ain't talkin 'bout stealin', felonies'll ruin it  
Stupid all I'm talkin' 'bout is takin' opportunities

Doors open up and when you get another chance  
Either hold up the wall or get out there and dance  
It's on you, do what you wanna do  
You know why everybody always punkin' you

Talkin' shit they know you're bluffin', won't do nothin'  
Sittin' on the shelf like Stove Top Stuffin'  
I know you had enough and want to call it quits  
Believe me, this ain't it

Don't ever give up, I know it ain't workin'  
It's been a long time, you never stop tryin'  
But you can't quit, you gotta keep goin'  
You already knowin', you can't give up

Don't ever give up, give it all you got  
It only gets better, never say never  
You know you can't quit, you gotta keep goin'  
You already knowin', you can't give up, you just can't

Isn't hard to see, use your eyes  
It's time to tell the truth 'cause we through witcha lies  
Utilize all your steppin' stones, gotta be prepared  
Sittin' 'round dreamin' how you 'bout to be a player

The years and the time fly, you ain't even workin'  
Went by overnight you went from 18 to 30  
Nothin' goin' on, never set a goal  
Dreams can't come true and now you gettin' old

You start to represent, everything you hate  
But don't give up 'cause it's never too late  
All you need is a plan, a purpose and a model  
And quit livin' life like you 'bout to hit the lotto

Get rich on your own, buy a new home  
Keep your real friends, leave them haters alone  
I see you when you get there, rollin' to the bank  
I know you can't let go, I know you can't

Ever give up, I know it ain't workin'  
It's been a long time, you never stop tryin'  
But you can't quit, you gotta keep goin'  
You already knowin', you can't give up

Don't ever give up, give it all you got  
It only gets better, never say never  
You know you can't quit, you gotta keep goin'

You already knowin', you can't give up, you just can't

Nah, we can't give up

We gotta keep hustlin' for life baby

It's hard on the black man

Tryin' to get my stack together y'know? Big thangs
