Yeah, you know, we in the house  
This the last motherfuckin' song we gon' do on this  
album, ya'll, so ah  
Ain't no need in wasting the beat, shit funky than a  
motherfucker  
We gone spit that game to ya'll

And I'ma tell you one time and I'ma tell ya one time  
only  
Don't fuck for free, don't fuck for free, I'm tellin' ya  
'Cause when you do, you gets nathan  
Nothing, not a got damn dime for your time, bitch

So ah, ya gone let me spit this, can I do it?  
[Incomprehensible]  
Short Dawg gone spit a little somethin' to ya, check it  
out, bitch

I've been mackin' these bitches all my life  
And not once have I thought about havin' a wife  
Short Dawg in the house once again  
The one you couldn't get with so I fucked your friend

'Cause I'm a mack, doin' what a mack should do  
I just scratch, just to make a rap or two  
You got to give to live, than lay up with me  
Can't go to streets, stay up with me

'Cause I'm a fuck all night 'til I turn you out  
And if the pussy get dry bitch, work with ya mouth  
I get a [Incomprehensible] city hoe and take her cash  
I break her old funky ass

It ain't nothin' like a player from the O  
Lettin' you know I'm a pimp, you a hoe  
Nasty ass bitches wanna fuck with me  
I need money and Short don't fuck for free

My nigga don't fuck for free  
You gotta have money for the D O G  
Us bitches we don't fuck for free  
You got to have money to get this pussy

P to the I, M to the P  
Niggas in my crew don't fuck for free  
P to the I, M to the P  
Short Dawg baby, don't fuck for free

I ain't nothin' like Mike, I don't play the court  
I play bitches, don't you wanna be like Short?  
First off, I never would trick you hoes  
I work hard for my money that I get from shows

And some even ask about my Rolex  
Bitch, this came from my platinum checks  
So break yourself and drop to your knees  
I'd rather have ya mop 'cause you might have fleas

And even Mangie Mutts love to fuck  
They ain't scared to make a buck  
So bust a nut, bitch  
And [Incomprehensible] the next motherfuckin' with me  
'Cause if you fucking with me, I'll have ya workin' the  
streets

I'm Short Dawg, and ain't no love involved  
Do that old slick shit and lick my balls  
Don't pause so ya'll niggas listen to me  
Want to be like Short? Then don't fuck for free

My nigga don't fuck for free  
You gotta have money for the D O G  
Us bitches we don't fuck for free  
You got to have money to get this pussy

P to the I, M to the P  
Niggas in my crew don't fuck for free  
P to the I, M to the P  
Short Dawg baby, don't fuck for free
