Only fuck with these silly-ass boys for fun
Get 'em all alone an' a thug is hung
He's screamin', ?Aiyah, aiyah?

Only fuck with these silly-ass boys for fun
Get 'em all alone an' a thug is hung
He's screamin', ?Aiyah, aiyah?

I like them wild girls, the way they throw that
When the music ghetto an' she don't hold back
I wanna see her wiggle, when I stick it in her
Call me, 'The Champ' 'cause my dick's the winner

Bitch, it's internationally known
I picture in my mind, you look nasty in thongs
You probably do it just like you dance
You 'bout to bust out your pants

You got too much ass in your jeans
Throw it my way, I'm not passin' a thing
Are you a pleaser or a teaser?
R an' B diva or a skeezer?

To me, it's the same difference
I do my thang in the game, pimpin'
Don't worry 'bout me 'cause I'ma do mine
Damn, this bitch is too fine

Only fuck with these silly-ass boys for fun
I like female players
Get 'em all alone an' a thug is hung
He's screamin', ?Aiyah, aiyah?

Only fuck with these silly-ass boys for fun
I don't like them squares
Get 'em all alone an' a thug is hung
He's screamin', ?Aiyah, aiyah?

Yeah, she got dough, she get her hustle on
You can't buy that girl out, fool, what you want?
She get her own table, buy her own bottles
Look in her purse, she got long dollars

Now you wonder why she hangin' with me
You curious how my game could be
Playin' broads ain't a thang to me
It must be a sign up but you can't see, player

It's right there in your face
Throw the peace sign up, all the players in the place
Look around, it's time to go to work
I'm tryin' to flirt with little momma in the shortest skirt

I think she with it but I don't wanna just hit it
I wanna get explicit
An' if she kiss it, it's bound to get good
Tomorrow mornin' I'll be cruisin' 'round the bitch hood

Only fuck with these silly-ass boys for fun
I like the female players
Get 'em all alone an' a thug is hung
He's screamin', ?Aiyah, aiyah?

Only fuck with these silly-ass boys for fun
I don't like those squares
Get 'em all alone an' a thug is hung
He's screamin', ?Aiyah, aiyah?

All my female players, gather 'round
It's a roller coaster, baby, you at Magic Mountain
Six Flags on a holiday
You wanna ride again, girl? You ain't gotta wait

You never have to stand in line for the ride
Just take a few hits 'cause I'm tryin' to get you high
I can't tell you to loosen up
But I can say I love the way you move your butt

Let's make it happen, you wanna go home with me
So I don't wake up in the mornin' all lonely?
We can't compromise, I won't promise you lies
But I will make you feel it 'til the sun rise

An' if you wanna know what it's like
Ask all the top notches in the club tonight
They'll tell ya, I ain't tryin' to find a wife
But if you fuck with Short Dawg, you had the time of
your life

Only fuck with these silly-ass boys for fun
I fuck the female players
Get 'em all alone an' a thug is hung
He's screamin', ?Aiyah, aiyah?

Only fuck with these silly-ass boys for fun
I don't like you squares
Get 'em all alone an' a thug is hung
He's screamin', ?Aiyah, aiyah?
I like female players
