Ant banks:

Yo, be comin straight out the pussy  
Holdin my nut sack, quick let me bust that rap

So tramp, I ? ? your tramp to much bleedin  
Tryin to pursue me, screw me do me  
Wanted to do me, started to chew me, then she blew

Makin the devil get  
Mad, when the bass and treble hit  
So wise up  
Keepin yo eyes up  
I'm lookin for bitches and bitches to size up  
I bust one and thumps one  
I bust two and rise up  
I'm ready to slide my dick in something hot as wet as  
you

I bet it's you  
I'm with the dangerous crew, so let us through  
Give up the pussy, give up the head  
Drop yo panties and rub your clit  
Do the splits, rub your tits  
Yeah, I like the freaky shit  
So give it up to me straggla  
Fuck the cheese and bragger  
Before I knock her out, beat her down and drag her  
Cause niggas be takin the pussy  
Just give it up to me bitch  
Don't fight it  
The last bitch that tried it, don't fight it  
I'm just like a bloodhound  
You lick my balls and give me a rub down  
You want me to eat your pussy, but you stank bitch  
Go scrub down  
I get up inside the pussy, spend my day in it  
Lay in it, play in it  
Wake up and go to sleep and still stay in it  
Imagine my dick's the basketball  
Yo pussy is the basket  
I'm a dunk, smell the room you stank bitch  
Cause you gave up the funk

Chorus:

M.c. breed

Now as I slide on this track, I won't be dissin no bitches  
I'll just be clockin my riches  
Now bare witness as I spit this  
Shit that give you the mumps, cause it bumps so  
tremendously  
And niggas be knowin they flowin up tigh as they

Some shit that they ain't  
Some niggas front, but I can't  
I'm sippin tough on the drink  
And makin barrels of bank  
Yeah, so niggas save that punk shit  
I'm comin with that funk shit  
See that's how I was raised and my real niggas want  
this  
So nut up or keep walkin  
And shut the fuck up when grown folks is talkin nigga  
Before you get your back broke  
Now what you wanna fuck with a oakland city mack for?  
The place you can trip on  
Where the niggas be mackin, stealin, killin and pimpin  
to get they crip on

And take it to the next phase  
We goin city to city, leavin hoes in a daze  
That's why they call me bad ass  
Cause I be puttin boogers on bitches and fartin loud  
with my fat ass  
But yo, I gets paid for that  
And it's a fact I was strictly just made to mack  
So what the fuck you know about me  
A loked out, funky ass pimpin og  
Fool, you can open your eyes but you can't see  
I just gave up the funk, now I'm o-u-t
