

## Too \$hort "Hey, Let's Go"

Visit "[Hey, Let's Go](#)" on MotoLyrics.com

Nasty bee-yatch  
Let's go niggaz don't know what to deal a hoe  
You just a tramp hoe

No I don't like calamari and no I don't eat caviar  
But you might catch me exquisite at the bar  
You're the finest that I seen thus far  
So, won't you come on in, Shorty you can bring your  
friend  
Just let me finish off my double shot shot of Henn  
We can leave now the sport begins, on you

It's time to fuck baby, jump in the truck baby  
'Cause I been wantin' to tear yo fine ass up lately  
You like your dicks big, you like the way they taste  
Don't shoot it let me take it out and cum on your face  
I won't waste your time if you don't waste mine  
Let's keep it funky and live, just like the bass line  
My girl I'll lick your clit, the bitch is on this shit  
Close your eyes you'll swear you're fuckin' in a porno  
flick

The way you want my dick, you got my thing hard  
You got skills, you should win an ABN award  
I got my playing card, it's the two of spades  
Deuce is wild, check it out, and you was laid  
Now we moanin' and groanin' screamin' and hollin'  
All them super top notches, yeah, you'll see who they  
followin'  
Big Dog will make you open your eyes wider  
'Cause this dick is like the big thick pipe piper, let's go

No I don't like calamari and no I don't eat caviar  
But you might catch me exquisite at the bar  
You're the finest that I seen thus far  
So, won't you come on in, Shorty you can bring your  
friend  
Just let me finish off my double shot shot of Henn  
We can leave now the sport begins, on you

You're such a nasty girl, take them panties off  
The way you do it is impossible, I can't be soft

You up your fuckin' like your pussy got a motor  
Missionary, on top, from the back, roll you over  
You just keep hupmin' and I keep pumpin'  
Then I ride around my body 'cause my beat's bumpin'  
Yeah, I know you know, I'm a pimp hoe  
And I heard all about you, little nympho

Pussy like Niagara Falls, they say you love it all  
So when I nut, suck my dick, bitch, and rub my balls  
'Cause I'm nasty too you'd better ask it's true  
It's a one time shot, I'm just passin' through  
Don't be shy, don't be stingy, don't be holdin' back  
And don't get hooked on the dick, like you're smokin'  
crack  
Just keep doin' what you doin', don't change a thing  
And you'll see how much love this pimp game can  
bring, let's go

No I don't like calamari and no I don't eat caviar  
But you might catch me exquisite at the bar  
You're the finest that I seen thus far  
So, won't you come on in, Shorty you can bring your  
friend  
Just let me finish off my double shot shot of Henn  
We can leave now the sport begins, on you

Ain't no sense in frontin' let's go, move somethin'  
You know I want some of that pussy girl, why you  
frontin'?  
You rub on my nuts, while your friends ain't watchin'  
If you expect a check for some sex, it ain't happenin'  
I'm the vagina finder, the cunt collecting king  
I'm 'bout to get a platinum penis ring  
Your second guess is bitches, an' yes or no  
You're down with shit, just move around let's go

Damn, you still here, ain't nobody lookin' for ya?  
Do you have a home or an apartment or ya  
Kinda stay here with the crew, knowin' the shit that we  
do  
We just frant through, a couple of bitches just like you  
Where ya girlfriends? Where ya car at? What's the  
damn deal?  
Girl, you got to leave here for real  
I hope you wasn't plannin' to get your stack on  
Get up bitch put your panties back on, let's go

No I don't like calamari and no I don't eat caviar  
But you might catch me exquisite at the bar  
You're the finest that I seen thus far  
So, won't you come on in, Shorty you can bring your

friend

Just let me finish off my double shot shot of Henn

We can leave now the sport begins, on you
