I luv, I luv, I luv it, I luv it, baby
Luv this, I luv it, luv it, luv, ooh
Luv this, I luv it, girl
Luv, oh, you really want it, girl?
Luv, I luv this shit, luv this bitch

She was a Betty, I done knew back in the day
Little scary lil' bitch from around the way
Plus she sucked and fucked all day
With a little bit of Alize, Alize, Alize

I put it down for these young hoes
Get the pussy like I'm married
And send her home with the cock swoll, did her pops
know?
Little girl that he tryna protect was in the crib doin'
porno

Fo' sho' baby, I know these hoes
Step up too 'em and show these hoes
I never wonder to myself, "Would she?"
I get deep in her mind and her pussy

Who dat? She was the world's greatest dick sucker
Play the note with the tongue while finger fuck her
I hit it in the back of the donk, in the back of the Benz
Got my dick in her ass, front of one of her friends

Face down, ass up
Bitch be still while I bust this nut
I rock hard while I'm in these guts
Wipe my dick and then that's enough

She wanna kiss me after she lick me
Slap the drunk, you know the ho got Tinesi
Daz, this punk bitch wanna get with me
'Cuz the ho lookin' for a P I M P

You know the ho don't know no better
I would rough ride ya ass but the magnum's better
I know a lot of niggas done paid ya bitch
Remember one thing, I got a major bitch

Pull up on the stroll, in the fo' door Caddy
Slapped the bitch, she hollered, ?No, no daddy?
I got the cash, if she don't, that's her ass
So quick, so fast

I luv gettin' my head blown
I luv gettin' my nuts rubbed
I luv gettin' my dick licked
I luv gettin' my nuts sucked

I luv gettin' my pussy ate
I luv when niggas see me masturbate
I luv it when you nut all in my face
I luv it, baby but I can't stand the taste

I once knew a bitch named Erica
Way back in the day, she had a geri curl
I made her suck my dick on the ferris wheel
Been pimpin' all my life, big player for real

I said, "Come on girl, you know how it's 'sposed to be"
It's makin' me nut but feel our fantasy
Come on, come on, baby, won't you get the best of me
I smell pussy

Get T double D on the double stack
And one dose of the dick, she be doublin' back
See me, I've been known to shit on hoes
Cuff her cold, straight spit on hoes

I been known to step on a bitch
Put a thumb in your ass, while I slap your clit
But ain't no way that I'ma lick yo' shit
Tell 'em what she is Short Dog, bitch

I luv gettin' my head blown
I luv gettin' my nuts rubbed
I luv gettin' my dick licked
I luv gettin' my nuts sucked

I luv gettin' my pussy ate
I luv when niggas see me masturbate
I luv it when you nut all in my face
I luv it, baby but I can't stand the taste

I luv gettin' my head blown
I luv gettin' my nuts rubbed
I luv gettin' my dick licked
I luv gettin' my nuts sucked

I luv gettin' my pussy ate
I luv when niggas see me masturbate
I luv it when you nut all in my face
I luv it, baby but I can't stand the taste

I luv gettin' my thug on
On dirty joints, in the school zone
I luv gettin' my thug on
Everything I cop, I put dubs on, I luv this

When I'm at the club
See a girl get freaky and I slap her butt
She try to say, "Short Dog, that's enough"
You know I luv it little mam, can't pass it up
'Cuz I

I luv, I luv, I luv it, I luv it, baby
Luv this, I luv it, luv it, luv, ooh
Luv this, I luv it, girl
Luv, oh, you really want it, girl?
Luv, I luv this shit, luv this bitch
