[Too \$hort]  
Ay... bitch! ...

My ho got the money for me  
I told her meet me at the spot, cause I wanted to see  
How much she got from the tricks today  
It's a normal thing for me to get paid  
And my hookers don't stand at the intersection  
Them tricks go surf in on the internet  
And then I count it that night, or maybe in the mornin  
I'm just another pimp from California  
Oakland, up in the bay  
We break new hoes in every day  
How many hoes you got, don't ask tonight  
Cause these hoes get turned out faster than lights  
I've been countin G's for days  
Who cares if she leaves or stays  
I get somethin for nothin, cause you wanna touch her  
Hug her and love her, I get paid and say fuck her

[Chorus]  
Cause if I cain't get mine  
You ain't gettin shit you better wait in line  
If I cain't get mine  
You ain't gettin shit you better wait in line  
Cause I'm pimpin, pimpin, pimpin, pimpin  
I'm pimpin, pimpin, pimpin, I'm pimpin baby!

[Too \$hort]  
I got 16 prostitutes  
When it's time, I do what I gots to do  
I'm on the grind, for every nickel and dime  
I let a bitch get mine, and then I spit these rhymes  
No it's not a freestyle, it's me  
I just wanna be wild and see  
How the hoes start choosin when the pimps walk in  
Shut your mouth up when a pimp's talk in  
Beeatch, I know you heard  
I got the whole world sayin my favorite word  
I got your ex-girl layin in my bed, she's work

Seen her at the club and she had to flirt  
I smoke the pert, I light it up  
Yeah I'm a pimp but I like to fuck  
Sexy lil' long-haired women  
But I still let 'em know that I'm pimpin

[Chorus]

"I'ma see if I can go catch me, a nice pretty young  
bitch"  
{\*phone rings\*} "Hold on, let me see what bitch that  
is"  
"Okay this the bitch here right now, y'knahmsayin?"  
"Hey bitch, what's happenin? I already know what you  
fin' to say bitch"  
"Yeah bitch, yeah bitch, only thang you do bitch, is just  
go to work  
handle my business, get my money, don't give me no  
problems, everythang gon' be alright"
