Yeah, that's right  
We gon' flash back to 1983  
I'ma show you niggas how I was spittin' this pimp game  
Before most of you niggas even started rappin'

1983, Too Short  
Word for word  
Like this, baby  
Invasion of the flat booty bitches

A nigga like me, I know what's up  
I want a nasty bitch with a lotta butt  
If I can't find one anywhere  
It turns my dreams to nightmares

Baby, right there, ain't got no ass  
But she's okay if she's got cash  
Bitches, bitches, bitches  
Invasion of the flat booty bitches

I'll tell you 'bout a day that I had  
Seen nothin' but bitches with no ass  
I woke up early, feeling right  
Do the same damn thing every day of my life

'Cause every morning, you know I get  
A good blow job from a real fine bitch  
Strokin', smokin', Sir Too Short  
Thinking about the day before

30 minutes after I rolled out  
I pulled a freak, took her to my house  
She was hella young with a lot of butt  
She sucked my dick and then we fucked

That good tight pussy, I couldn't pass  
A light-skinned freak with so much ass  
At 1 P.M., I was fuckin' away  
I wanna do the same thing again today

Today my story made itself  
Every bitch I saw was flat as hell

I told myself, "I must need glasses"  
Where's them bitches with the big round asses?

Me and me homie just wanna be tuff  
Bring two bitches then switch 'em up  
It was 3:35, the strip was lit  
Every two blocks I saw a different bitch

Waiting on the bus, someone was walking  
Me and my homie just started talking  
I said, "Homie, she looks good"  
He said, "That ass is flat as wood"

I said, "What about baby in the black?"  
And he said "Short, she's all that"  
Bitches, bitches, bitches  
Invasion of the flat booty bitches

Every single day of the week  
For every nigger living, there's a freak  
If you got game and a bed  
Why not get fucked and get some head?

'Cause bitches all over wanna get fucked  
I just need one with a lot of butt  
Me and my homie rollin' and smokin'  
Flat booty bitches took over Oakland

I told my homie, "I hate to say  
All the bitches with ass stay home today"  
And he said, "Short, what now"  
Put the pedal to the metal and hit the beat town

I thought them bitches out there was fine  
But the invasion was on and it fucked my mind  
Bitches, bitches, bitches  
Invasion of the flat booty bitches

We hit the beat town like Oakland players  
I knew it, bitches was everywhere  
The first one had tities so fat  
But that don't work, her ass was flat

The second bitch was flat too  
Talked about the bitch like a muthafuckin' fool  
I said beyotch, I know I'm capin'  
Where's your ass, baby? What happened?

She turned around, caped back on me  
Said, "Fuck you, nigga, where's your teeth"  
I dam near fell jumping out the car

But I slapped that bitch and slapped her hard

My homie said, "Short, we gots to cut"  
But I was spankin' that bitch on her big flat butt  
We parked the car and took a walk  
I saw another bitch and I had to talk

I said, "Baby, baby, baby, come here  
Yeah, you baby with the long, long hair"  
Baby, came over from across the street  
Standing on the corner talking to me

I was spittin' the game but I talked too fast  
'Cause I didn't even notice that she had a flat ass  
Sheit and I was ready to go  
We was rollin' back to the O'

I told that bitch, "I changed my mind"  
She looked at me and she said, "Why?"  
I said, ?I'm Sir, Too Short, the Oakland player  
I'm not one of them niggaz who don't care?

It's no thang to do my duty  
But not with you and your flat booty  
In the Berkley town what did we find  
Freak after freak with no behind

One long day, I never got in  
I'm glad that shit never happened again  
Invasion of the Flat Booty Bitches  
The invasion, beyotch, is on

That's that old school, '83  
Still pimpin', baby  
Short dog  
You know I can't stay away from this game
