Yo, Short man  
I was with this chick the other night  
She was like hey Diddy, umm, Diddy  
Why you so motherfuckin' fly?  
I had to tell her bitch, I'm just about that paper beotch

It's about that money  
(Make it hot)  
If it's about that bullshit  
(Make it stop)  
If you got that paper we can roll  
No time for hataz gotta go

I flew to L.A. just last week  
Jumped in the limo, checked in the suite  
Made a few calls, it's time to go  
Bust a few rhymes at the studio

You know I don't do it for the love of it  
I love it but I do it for the love I get  
Big checks, you think the sex is next

When I left the studio, I had to go do a show  
For the ten with the triple zeros  
That's why I never flipped with kilos  
Flew up to the bay, then back to Georgia  
Had to catch a flight to Tallahassee, Florida

I did a show at the Kapa Luau  
Short Dog what'cha about to do now?  
I'm getting money, caught a flight to New York  
Just another day in the life of Too Short

It's about that money  
(Make it hot)  
If it's about that bullshit  
(Make it stop)  
If you got that paper we can roll  
No time for hataz, gotta go

It's about that money  
(Make it hot)

Got to keep it coming  
(Make it stop)

Niggaz hate us all day long  
(We can roll)  
'Cause we get our paper all night long  
(Gotta go)

Everything I do is a world premiere  
I know you're not trying to front girl come here  
I get up early in the morning work late at night  
So when you talk about me, you say it right

I get my pimp on whatever I get on  
Pop, Rock, Rap, R&B, it's a hit song  
I keep it moving no matter what your age  
Bitches screaming out, "Puff Daddy's on stage"

Breaking necks, cashing checks  
When I'm not making money I'm having sex  
International, superstar  
People wanna know just who you are

I'm that laid jet rider, Mansion residing  
If I throw a party you'll be dancing all night and  
Let's have some fun girl, it's okay  
I work hard now it's time to play, come on

It's about that money  
(Make it hot)  
If it's about that bullshit  
(Make it stop)  
If you got that paper we can roll  
No time for hataz, gotta go

It's about that money  
(Make it hot)  
Got to keep it coming  
(Make it stop)

Niggaz hate us all day long  
(We can roll)  
'Cause we get our paper all night long  
(Gotta go)

I did a lot of work for the homies for the low-low  
But I doin' that kind of shit no more  
Ask Puff, fuck all that retirement stuff  
I work too hard so the price went up

I'm charging fifty for sixteen bars now

If you want a whole song it's a hundred thou  
Is it worth it? I ain't no crook  
A hundred thousand dollars might get you a hook

From this nigga right here, I know you know  
And you gotta pay extra for the video  
So cut the check for the right amount  
If not, you can wire it to my account

The only other way is to pay me cash  
And ain't nothing wrong with that  
In fact give me the scratch in big stacks  
'Cause you're fucking with a real mack, bitch get back  
Bitch, get back, I said, "Bitch  
Better get your motherfuckin' ass back", that's right

It's about that money  
(Make it hot)  
If it's about that bullshit  
(Make it stop)  
If you got that paper we can roll  
No time for hataz, gotta go

It's about that money  
(Make it hot)  
Got to keep it coming  
(Make it stop)

Niggaz hate us all day long  
(We can roll)  
'Cause we get our paper all night long  
(Gotta go)

That's right, so if you want me to do  
A guest appearance on your next album  
Just remember one thing  
It's gonna cost you man  
'Cause we gettin' our money on

That's right, Short Dog in the house  
P Diddy in the house  
Short Records, Bad Boy  
Yeah, that's right

Too Short, Too Short  
Gotta make that money  
2000 watts, 1000 watts  
Gonna make that money  
Bad Boy, Bad Boy

Gonna cash that money

Gotta make that money, money  
Gonna take, gonna make  
Gonna catch that money, money

Too Short, Too Short  
Gotta make that money  
2000 watts, 1000 watts  
Gonna make that money  
Bad Boy, Bad Boy

Gonna cash that money  
Gotta make that money, money  
Gonna take, gonna make  
Gonna catch that money, money

Oh, yeah
