Get loose, get wild, now get set

Yeah it's the anthem, nigga it's the shit

You can get crunk, get hyphy, get fit

You can bounce like you're hoppin over a muh'fuckin fence

If you in the whip, ghostride the bitch

Slip into the liquor sto', sippin on a fifth

Yeah nigga, brang in the bag

Gangbang on you motherfuckers claimin the flag

West coast nigga, I'm a real go-getter

40 ounce sipper, the blackjack tripper

20 Crippler, 10-to-1 I flip her

Got the hook-up on the birds and the motherfuckin zippers

Go to the club with my thugs sell drugs

And I might get a girl but I ain't gon' tip her (uh-uh)

Get malt liquor, spit, mo' slicker

Put y'all hands in the air muh'fucker it's a stick up

Naw nigga eat a dick up

You say you a pimp, but you in love with a stripper

Just bounce to the beat, and don't pay me no attention

Just bounce to the beat, bounce bounce to the beat

{It, it makes me want to bounce!} To the beat

{It makes me want to bounce!} To the beat

Beotch! I told the DJ play her song
Watch her choose up, put a player on
Put her in the wifey zone
She can be my girlfriend all night long
Keep bouncin, the floor is sweatin
I'm all on her booty, I know I'm gettin it
We from the West coast, we live fun lives
Freak these hoes 'til the sunrise
What time is it, late night

Send her back home when it's daylight
Her nigga at the house with a cake like
Captain Save-a-Hoe, but she ain't right
She like to play hard to get
She don't wanna dance she wants some hard dick
Well give her what she wants
Stick it in the hoe, and watch her go dumb {DUMB}

Make a bitch wanna bounce {BOUNCE!}
Short Dawg turn 'em out {BOUNCE!}

I'm in the house and I ain't movin out
The girls keep more of my name in they mouth
I like breasts best when they poppin out
So girl bring 'em out, bring 'em out, I make 'em bounce
{"Keep, keep bouncing!"} Yeah just keep them
bouncing
Open up your mind and accept what I'm announcing
If we have a President's Day and a Veteran's Day

Let's have a Titty Holiday
And lick on nipple everyday through the weekend
I like tit like fish like sippin
Watchin boobies bounce is my favorite tradition
When I'm up in the club just sittin and wishin
them boobies was bouncin on my head (my head)
Them boobies was bouncin on my head (my head)
Bouncin, bouncin on my head (my head)
I want them boobies bouncin on my head (my head)
Okay, now let me change the subject
I usually don't be gettin mannish up in public
But that's aight, cause I'm chillin with my folks
