Song: Oakland, California

(3x)oakland,california

oakland california is the city of snakes  
pimps,pussy's,players and fakes  
loud mouth bitches who talk too much  
dick teasin bitches who never fuck  
sucka ass nigga fake as hell  
a man or a bitch I really can't tell  
some of you niggas need to quit  
show and tell nigga you ain't shit  
sayin I got this and I got that  
but when it comes to you I got no rap  
cause what I see is good for me  
and what I don't know just let it be  
bitches gamin workin extensions  
her hair ain't really but two inches  
bald head girls in the oakland world  
short afros and jheri curls  
nappy head niggas like myself  
get a bald head and say go to hell  
but your a snake your a worm  
bald head bitch you need a perm  
oakland california is the city of liers  
fresh barbed wires with vouge tires  
niggas tellin stories twenty minutes long  
and everything in it was smooth wrong  
I said why you wanna tell me I don't wanna know  
all I want is stereo rock  
homeboys kick it gettin keyed  
sold that mark some fake weed  
told that nigga here you go  
a big fat sack and you know it's premo  
a 20-dollar bill went to your hand  
you rushed that money to the coke man  
to the coke bottle was the next stop  
but you broke the bottle and cant smoke rock  
bass rocks bass rocks thats your daddy  
you better off smokin on a powdered cabby

have a white christmas everyday  
cause coke can cabby is a too short way  
thats too s-h-o-r-t  
smoke more coke than Richard P  
have more money than michael jackson  
oakland can I get some action  
hey young tender in the 501's  
I love to see when you work your tongue  
suckin my dick in the back of the car  
rollin down skyline boulavard  
I said beeeeeeyach  
what are you smokin  
a big fat dick in the big east oakland  
I seen my homey he needs to quit  
holdin hands with a bitch who looks like shit  
maybe i'm wrong by what I say  
maybe that nigga is gettin payed  
maybe that ain't bein used  
gettin fucked without collectin dues  
thats how I work all the time  
i'm too short baby got a fresh new rhyme  
for oakland,california thats the place  
homies got drugs all in yo face  
with the opd cruise down again  
niggas goin half off dubes and tens  
on any corner anywhere  
buy your drugs from a oakland player  
niggas sell squat callin it top  
cut cocaine get a big nigga rock  
crime went down murder went up  
and some of these turfs are tryin to get tuff  
whos the leader of the hour  
anybody livin if they push power  
M-16, 357  
sendin these niggas to hell not heaven  
so much death in the oakland streets  
your nothin but a target sellin weed  
you know i'm rappin the honest truth  
niggas roll up shotin guns at you  
frettin your life and call you fake  
till you take your drugs to another state  
and sometimes man it's a pitty  
cause a nigga used to roll in the oakland city  
niggas who take do you know yourself  
you must be the nigga with all the wealth  
maybe one day you can own this town  
if everybody fucked and you are down  
thats how you see it I do too  
but I break bitches and you break crew  
oakland california is gettin tuff  
niggas got sceems for comin up

niggas got ways to make big bank  
hit these streets like an army tank  
i'm too s-h-o-r-t  
spitin more game than you'll ever speak

(music for 10 seconds)

I got no bitches wantin me  
cause i'm the best dam rapper from the oakland  
streets  
i'm the coldest MC on a microphone  
oakland,california wont leave it alone  
cause i'm on this mic rappin that game  
knockin off tapes like i'm sell cocaine  
fuckin these freaks indeffinetly  
i never stop fuckin you oakland freaks  
highschool bitches really like  
the way sir too short can rock the mic  
oakland,california thats the place  
freak freak bitch got alot of ways  
she got big fat tities size 38  
im a fuck that bitch but I cant wait  
the young girl makes my body boil  
when I fuck that bitch im a drill for oil  
im a put cocaine all over my dick  
and tell that bitch it's time to lick  
east oakland thats where I live  
the city of the freak freak freaky bitch  
i spent the night with her she ain't mine  
i fuck that bitch so many times  
and that right there I could never fake  
i thought my god dam dick would break  
fuckin too much makes you hurt  
but I never stuck a bitch from putin in work  
all you bitches can suck me dry  
suckin my dick for the rest of your lives  
ok baby here we are  
were just two young freaks in the back of the car  
you are one who's the other  
it's sir too short that rappin ass brotha  
everytime I talk to you  
whatcha wanna know is it still cool  
and everytime what do I state  
your still my bitch thats everyday  
all you bitches cause i'm a hall  
and you baby girl my freaky doll  
i'm too short baby now i'm smokin  
another big cabby and i'm in east oakland  
not the west not the north  
it's the eastside baby i'm sir too short  
i can spit a rap and i'll create

a sucka mc everyday  
niggas from oakland young and old  
runin round here keep off that dope  
singin my rap at the skating rink  
sucka mc do u know what I think  
you wanna be me so dam bad  
you wish that you could make my rap  
when I say short you say your name  
tellin your homies you rappin game  
but I sell tapes and niggas know  
you singin my rap in stereo  
some of you niggas ain't really shit  
and Tony G. is just a bitch  
why does Tony rap like me  
cause he ain't no pass high ?  
just sleep to the world on what I do  
grab a mic front you  
Tony G. you just can't have it  
nothin but little light skin oak faggot  
tryin to rap on the mic  
but too short baby is what they like
