Yeah! that's how we do it in oaktown, baby...  
\$hort dog's on the microphone...  
Straight from the east side...

I'm a player, bitch, oakland style  
They call me playboy \$hort, I know it's been a while  
Since dangerous crew took the time to say hello  
Mothafuckas makin' money in the ghetto  
It's just another day and it's way too real  
All my bitches cut, so what? that's how I feel  
It's all good so just make me rich  
And get in where you fit in, bitch  
Well, I get high cause that's what I do  
What about you? tell me is it true?  
I heard you was thru, your ass went broke  
Jewelry got pawned and your cars got sold  
But on the long run you got nothin' to prove  
Life to me is like a funk in the groove  
You gotta get right in where you belong  
Find a right mission and ride the song

Ride it...oakland style...bitch!
