[Chorus (4x):]

I need a porno bitch (be-beitch) a freaky porno bitch
(beitch)*

I fucked a lot of strippers

Bring her 'round me motherfucker I'll stick her

I'll fuck your lil' sister

then fly her out of town nigga what I don't miss her

(Beitch!) You ain't hard as me

I fuck hookers, but they don't be chargin me

What about the tramps and sluts?

I fucked a few, but I can't get enough

of them educated, sophisticated

Got a good job and other bitches hate it

You know the kind of woman that's hard to get

Know just what to do with a hard dick

I even like 'em young

I keep 'em up all night I'm just havin fun

But I don't need strippers, rippers or a hoe

Right now I need a pro

[Repeat Chorus:]

I need a porn star

I got a big-ass dick, and I was born hard

I want some professional head

I'm tired of havin sex in the bed

Let's fuck on the kitchen counter

and make a sex tape, yeah bitch I'm down~!

I'll fuck you like Mr. Marcus

Get butt naked let's get this started

Drop that dress on the floor

Turn the camera on, and press record

I'm 'bout to make you a star

Boost that ass up on a stool at the bar

Are you willing and able

to ride this dick on a pool table?

Cause after that, it's shower sex

Can you handle another hour of this?

[Chorus]

I'm talkin 'bout Tera Patrick

Sunny Leone, now that's a bad bitch

AnnMarie, and Puma Swede

I want all them bitches to do me

I'll take Jesse Jane, get her wet and gushy

Alia Love, she'll eat her pussy
Anne T was my favorite bitch
Vanessa Blue with them big lips
I can't forget, Jenna Haze
I want to bust a nut, in her face
I'm comin, but it might take a while
I gotta do a scene with Shyla Stylez
And after that, it's Nikki Benz
All I wanna do, is stick it in
Girladonna, and Charmane Star
I wanna fuck Monique Alexander
Bitch!

[Chorus]

[Outro]

Yeah that's right baby we still smoke big
We still do it big
Too \$hort is still in this shit
Album in stores soon
And it don't stop
Beitch!
