Is that what you needed?
(background)

You'd think that people would have had enough...
Of silly love songs.

I look around me and i see,
It isn't so...

Some people want to fill the world up with silly love
songs

What's wrong with that?
I need to know.
'cause here i go...
Again!

I love you (X4)

I can't explain
The feeling's plain to me

I gave you some
Now give it all to me...
Give it all to me!

What's wrong with that?
I need to know
'cause here i go...
Again!

I love you... (X4)

Love doesn't come in a minute
Sometimes it doesn't come at all
I only know that, when i'm in it!
It isn't silly!
Love isn't silly!
Love isn't silly, at all!

I love you... (X4)

Can? Can the world sound good without silly love
songs? (2x)
