Yo, 'sup, 'sup
\$hort Dawg is in the house, beyotch
Yeah, got my orange juice, bottle full of gin
And it's all good

Ya know, this might be the last album I make y'all
So I figured like this, why should I go out like a sucker
Why should I go out like everybody else
I'm goin' out just like I came in this motherfucker

Straight mackin', bitch, born to mack
Always was and always will be
Ya know what I'm sayin'
And it's like that but y'all know what though

Even though, throughout my whole entire career
I always spoke my mind about what was goin' on
With my folks and my community
All I ever got credit for was sayin' one motherfuckin'
word

Ya know what I'm sayin', but it's cool though
'Cuz now you know what's happenin' now
You got all these rappers out here
On the mic, on their records, sayin' beyotch

Just like \$hort Dawg, ya know what I'm sayin'
And it's cool like that, I got this youngstaz up in the O
Town
Runnin' around here, they tryna earn a reputation tryna
diss \$hort Dawg
Knowin', all through their elementary and high years

All they listen to was too \$hort, ya know what I'm sayin'
Well like I told you man, I'm goin' out like I came in
I'm goin' out like a motherfuckin' champ
And God knows, I'm known y'all, I'm known for a
motherfuckin' fact

Y'all niggaz can't fuck with me
You never could fuck with me on the real deal, man
I came befo' you, and I'ma finish befo' you

And it's like, it's like Kareem Abdul Jabbar, man

I got the most points scored
And you gotta catch up, ya know what I'm sayin'
So it's all good
For the first nigga that step up and take over

It's yours, baby, but for now
I'm still runnin' this motherfucker, ya know
And you can put a bitch on that one
Like that
