Cause I'm a playa from way back taught by the best
You all hated to say that y'all show like the rest
Ya'll half steppin little dick wanna be dick willy's
You got a bad case of the silly's
In the studio you make believers
In real life you more or like the cape crusaders
Rushing to the scene to save them hoes
Every time they come across them crazy folks
You cuff em hurry up and get them to safety
But sooner or later tha bitch gotta face me
Cause I put the game down from the start
And you ain't nuthin but a dumb ass mark
Do yo thang and watch me do mine
Get the bitch on the phone and lets see whos lyin-
nigga
