MACK ATTACK It's a mack attack coming from wayback
My name is Too \$hort
Baby I don't play that jack I'm from the Dangerous Crew
and I tell ya it's true
Everything they said about the playboy Too I'm \$hort
Dog, ain't nothing nice I
Drink G-Juice, wouldn't cut it with ice From the eastside,
baby, Oakland town
Can't understand why I'm so down I'm not a white wall,
I'm a Vogue Like seen
On white wheel I roll Got a fresh new beat, made ya get
freaky It was
Everything ya wanted cause I can't be weak Yeah,
baby, that's it, do the split
Freak nasty all on my tip I took it to my DJ, fresh on wax
Put it on the
Turntable, I got taxed It started burning up, why it's
smoking? Had to be the
Sound coming straight from Oakland \$hort Dog, it's a
mack attack My name is Too
\$Hort baby I don't play that jack One young tender lost
all hope I slapped her
In the face with my dunkie rolls Another young sucka
tried to front my style
Sawed off his face when they broke him in half It was
the Dangerous Crew and I
Tell ya it's true

Everything they said about the playboy Too When I sing
my rhymes I'm never
Fake When ya start my beat that's when I break On you
and it don't stop
And it don't stop and it won't stop Cause I'm Too \$hort
baby on the microphone
And I'm macking Hit it! I'm not a wanna-be pimp, I
never simp Since I
Started walking I had this limp It was a cool type walk,
just like me The Too
S-H-O-R-T I might be young but I spit this game I started
with P and it ends
The same If ya brains is lame remember the name
When it's Too \$hort baby ain't

Nothing plain Dangerous Music on the microphone
Makes ya wanna break ya hip
Bone Might break ya leg or amybe ya back Grooving
too hard on my mack attack
It's really not easy, ya know it's hard Sorta just like my
gangsta car Ya know
What I mean, Vern? It's like funny I mack legit and
make all the money See my
Capital T on my diamond ring He hooked up the beat
and loves to swing So while
Ya out there grooving back and forth I wants ya to
scream out Sir Too \$hort

Don't stop that rap! (Don't stop that rap!) And it's just
like that, get busy
Girls, while I rap I make big money, that ain't no crap
When I grab that mic
And spit my rhyme I gotta have an 8 or 909 (beat!) So I
can rock ya all night
Long (She's!) on my tip, she loves my song (He!) tried
to do it but did it
Wrong (Freaks!) wanna get me all alone but I'm
macking Hit it! I finally got
The chance to grab my pen And make another rhyme
so I can make more ends It's a
Rushed production, not the beat I rushed out the studio
and hit the streets Now
I'm rocking one more time Young girls love my Too
\$hort rhyme But that big fat
Girl better let that go Before I point right at her and say
hoe! I'm driving a
Drop top Caddy, I don't dig fake I step on the gas, then
I hit the break Do it
Again as I catch the beat Ya feeling that bass all down
the street Jumped off
The car in 9-0 I was wearing all white Capisque Had my
501's, five dunkie rolls
Couldn't be saved by John The Pope The M-A-C and K
from Oakland, Califoniyee I'
M Too \$hort baby, no, I don't play Freak nasty, I like ya
dance Ya know it
Looks good in those pants So damn good I had to lance
Now I'm macking See
This gold? I bought it all Now every night ya young
freaks call Ya've seen my
Car, it's my best friend So if ya touch, ya meet ya end
Time to tell, just make
It cool Don't play that game, don't be no fool I'll burn
rubber all down ya
Block Ya know what I want so keep ya door unlocked
I'm coming in, baby, don't

Waste no time It's a mack attack and now ya mine
Dangerous Music is what it
Seems The reason this far, just met them jeans I was
running game all in ya ear
Ya talking about love to a stone cold player Girl looked
good, wanna have that
Sex Took another look and wanted to break that neck
It's a mack attack coming
From wayback My name is Too \$hort baby I don't play
that jack I'm from the
Dangerous Crew and I know it's true Everything ya'll
said about the playboy
Too Is I'm macking
