I Got Depressed When You Left

I Cant Breathe Girl Im Outta Breathe

I Might Suffocate If Things Dont Fluctuate

I Beg For You Back I Supplicate

Cos You Need To Be With Me Not Whats His Face

I Kno That In The Past I Was Rong

But You Dont Apperciate What You Have Til Its Gone

C'Mon

[Mario:]

How do I breathe

How do I breathe mmm mmm..

Feels so different being here

I'm so used to being next to you

Life for me is not the same

Theres no-one to talk to

Don't know why I let it go too far

Starting over it's so hard

Seems like everywhere I try to go

I keep thinking of you

I just had a wakeup call

Wishing that I never let you fall

Baby your not to blame at all

When i'm the one that pushed you away

Baby if you knew I care

You never would've went nowhere

Girl I should have been right there

How do I breathe

Without you here by my side

How will I see

when Your love brought me to the light
Where do I go
When your hearts where I lay my head
When your not with me
How do I breathe
How do I breathe

Girl I'm losing my mind
Yes I made a mistake
Thought that you would be mine
Guess the joke was on me
I miss you so bad I cant sleep
I wish I knew where you could be
Another dude is replacing me
Girl this cant be happening
I just had a wakeup call
Wishing that I never let you fall
Baby your not to blame at all
When i'm the one that pushed you away
Baby if you knew I care
You never would have went nowhere
Girl I should have been right there

and I wonder
How do I breathe
Without you here by my side
How will I see
when Your love brought me to the light
Where do I go
When your hearts where I lay my head
When your not with me
How do I breathe
How do I breathe

I Sould've Brought My Love Home
Baby I Aint Perfect You Know
Your Grind Has Gotta tight Hold
Girl Come Back To Me
Cause Girl You Made It Hard To Breathe
When Your Not With Me

[Cassidy:]
Lemme Talk To You
Listen
Baby Girl When I Was Sittin' In Jail
Sometime I Used To Just Reminisce In The Cell
I Looked Forward To Them Letters I Get In The Mail
And The Pictures I Was Getting As well
And I Appreciate The Times That You Visit The Jail
Well
It Weren't Congeable But It Was Psychological

I Cant Lie To You Boo
You Phenomenal
And All I Need Is One More Chance To Spend Time With
You

[Mario:]
How do I breathe
Without you here by my side
How will I see
when Your love brought me to the light
Where do I go
When your hearts where I lay my head
When your not with me
How do I breathe
How do I breathe

How do I breathe
Without you here by my side
How will I see
when Your love brought me to the light
Where do I go
When your hearts where I lay my head
When your not with me
How do I breathe
How do I breathe
