Jack and Jill are breaking up again  
Cause she don't like when he gets drunk with  
his friends.  
So here's my opportunity  
To make Jill fall in love with me.  
I'm gonna ask her out this Friday night.  
I picked her up and walked her to my car  
She asked me where we were going, I said not far.

I took her to the soda shop  
We laughed and danced and talked a lot  
And everything was working out just right.  
I called her up to ask her out again  
Her mom said that she's out tonight till ten.  
It seems she and Jack talked it over  
They worked it out alright and now you know  
They're going out Friday night.  
Jack and Jill are back together again a  
And she's wearing his jacket and his pin  
But they'll break up again, you'll see  
And maybe then she'll fall for me  
Until then I'm free every Friday  
I'm so lonely every Friday  
I'll be thinking about Jill on Friday nights
