One rigid sect is mine
One point of view accepted
High view of everything but truth

But I'm leaving home today
[Incomprehensible] once rejected
[Incomprehensible]
Abandon everything but you

Oh, why oh? What d'you really know?
And what have you been told? But sing it again
Oh, why oh? Let's travel off the road
New unknown, it's time to grow

Take a look at the other side
And all you see is a crass corruption
Sometimes I echo your complaint

But when I look at you I see a smug presumption
Monopoly of Jesus name
And I find the strength to walk away, yeah

Oh, why oh? What d'you really know?
And what have you been told? But sing it again
Oh, why oh? Let's travel off the road
New unknown, it's time to grow, yeah

I hope we made it worth your time
I hope we made it worth your life
I hope we lived up to our name
(Our name)
'Cause I would hate to think you died in vain

Oh, why oh? What d'you really know?
And what have you been told? But sing it again
Oh, why oh? Let's travel off the road
New unknown, it's time to grow

New unknown, it's time to grow
New unknown, it's time to grow
You've always known
