Tell me master, what I am
What burden I should bear
A tool of virtue in your hands
Fulfill your darkest nightmare

Cry for you
Die for you
Cry with pain
Die... die, die in vain

Reveal the secrets of your mastermind
Show me your sign and light my way

Tell me master, what you play
Am I the pawn, a sentry
In your game of chess, your mystic way
To some day sacrifice me

Cry for you
Die for you
Cry with pain
Die in vain

Return to me my pride
See my lonely fight
Guide me till I see the light

So lead me to your secret paradise
Hidden in the mists of time
Rising to your kingdom in the skies
Whispers from your mastermind

Help me master, while I'm here
Lead me to my redemption
I stand alone in primal fear
Our cities burn with tension

Cry for you
Die for you
Cry with pain
Die... die, die in vain

So lead me to your secret paradise
Hidden in the mists of time
Lead me to your kingdom in the skies
Whispers from your mastermind
