I'll drain your blood
you'll taste my sword
you'll feel my wrath through this knife
I'll take your life!

The hole in your head
exposes lust
you never covered your sin
you can't kill me!

I'll hang your corpse before me, I'll stand and watch
you burn
I'll hang your corpse before me, I'll hang your corpse
before the world

My hands are covered in blood
a needless murder to say
I laugh as the blood sprays
I'm gone!

Chainsaw to the pussy, and you'll bleed inside (x4)

Kiss the ground as I stomp your head
give me a reason to feel wrong
the pain builds inside your mind
the hate bellows from your lungs

I should have slain you
like the dragon last week
I should have slain you
I should have slain you
like the dragon last week

I will not stop
you can not fucking stop me
I will keep fighting
this won't be over until you're in the ground (x2)
(pig squeal)

This won't be over until you're in the ground (x2)
