from patience and from pain
the one who never ends will gain
the lovely notes from score to score
become the sound of the jealous call
i am tired of being wasted
i am so sick of being tired, yeah
i'm sure that love existed long
before the first word was pronounced

Chorus 1

woohoo
it's alright, baby
it's a crazy world it's a bit absurd
woohoo
it's alright, sugar
it's a crazy world it's a bit absurd
woohoo
it's alright, honey
it's a crazy world it's a bit absurd
woohoo
it's alright, it's okay
it is so crazy

to put it all in place
requires a special praise
the single gesture of sweet emotion
a single notion of bitter potion
a strawberry flavored composition is all that it takes
when the lyrics stand up and end
the head is full of conclusions of the simple mind

Chorus 2

woohoo
it's alright, baby
it's a crazy world it's a bit absurd
woohoo
it's alright, sugar
it's a crazy world it's a bit absurd
woohoo

it's alright, honey
it's a crazy world it's a bit absurd
woohoo
it's alright, it's okay
it's a crazy world it's a bit absurd
(Repeat once)
woohoo
