I took the road less travelled,  
Now i got blisters on my feet.  
Lost his home in a battle,  
Now the sun burns him while he sleep.  
See his drink is my drink,  
That butter scotch brandi.  
Call up Mr. Hooked nose,  
He got a thing for that candy.  
The day I quit stealing,  
I'm going to throw out my banny,  
The day I quit drinking,  
I'm going to start up a family.

But it ain't gonna happen that way.  
Forget it, no worries let's blaze.  
But it ain't gonna happen that way.  
Forget it, no worries let's blaze.

That there my homey,  
I know him from rehab.  
We can chop him that twenty.  
'cause i know that he fiends that.  
He said life 's full of lessons,  
But only some are worth learning.  
The sensi's a blessings,  
That's why I'm always burnin'.  
The day I have my son,  
I'm going to teach them 'bout glory,  
And if i have daughters,  
I'm going to be sorry.

But it ain't gonna happen that way.  
Forget it, no worries let's blaze.  
But it ain't gonna happen that way.  
Forget it, no worries let's blaze.

In certain circles he's considered a gentleman.  
But he'll hurt you, he'll hurt you, if you let him in.  
And never felt like a million dollars,  
but I've felt like a hundred grand.  
If you knew things I knew about me,

Well than you'd understand.

Ya said tell him again.

But tell 'em again.

I said tell 'em again.

Ya tell 'em again.

One more Time!

But it ain't gonna happen that way.

Forget it, no worries let's blaze.

'cause it ain't gonna happen that way.

Forget it, my brother, let's blaze.
