Judge, Your Honour let me declare,
What you're saying just isn't fair,
Whoa, hoh, Heaven knows this is how the story goes,
I was working in the lab, late one night,
Cooking up things that just weren't right,
A twist of love a dash of passion,
Smoke appeared in some strange fashion

Bridge

What did I do (What did I do Girl?)
To make a girl like you? I'll tell you I went

Chorus

Boom and there she was boom boom and there she
was x2

Whoa I see as the smoke is clear,
A girl so fine just standing here,
Hips, lips, my mind trips, run your hair through my
fingertips,
A chemical reaction, timewarp action, is this love or
fatal attraction,
Fee fi foe fum look out girl cos here I come

Bridge

Chorus

What did I do (what did I do girl?)
To make a girl like you I'll tell you I went..... I went

Chorus to fade
