Just say you're crazy for me,  
I'll say I'm crazy for you,  
Just say you're crazy for me,  
I'll say I'm crazy 'bout you!  
If I could,  
I'd take back the days that I've wasted...  
All those nights I should have been with you,  
I know I would have taken the chance when you gave it,  
And found a way to be with you.  
How could I be so blind before,  
When you make me feel the way that you do?  
Here and now!  
In my life,  
All I wanna say, three words can blow me away!  
For your love,  
All I wanna do,  
I'm not afraid to say I'm crazy 'bout you!  
All this time,  
I've looked much too hard to find someone...  
Someone trusting, someone true,  
I couldn't see all of those things I was seeking were in  
front of me  
And in you,  
I can't believe I didn't notice you make me feel the way  
that you do!  
Here and now!  
In my life,  
All I wanna say, three words can blow me away!  
It's alright, but what can I do?  
I'm not afraid to say I'm crazy 'bout you!
