I can choose what to do with my time
I can choose to say what's on my mind
I can float on a thermal high above
Just like a dove, all around there's love
Sound on sound, layer on layer
Like a wing on a prayer, there's hope
An escape there's sight, there's always light
Even in the dead of night
Through the glass the sky is calling
Tempting, teasing, begging, pleasing

(Free, free, free, free, free)

(Free, free, free, free, free)

Chorus:

(Free, free, free, free as a bird)

Free as a bird (Free as a bird)

(Free free free, my voice can be heard)

My voice can be heard (my voice can be heard)

I watch TV, the window to the world
Reality comes into my living room
All around me poverty, all around me greed
All around me sadness, every nation, every creed
Are we lucky, we're not in chains?
Are we the chosen ones, or are we to blame?
Sky blues nimbus light, will it end tonight?

Through the glass the sky is calling
Tempting, teasing, begging, pleasing

Chorus:

(Free, free, free, free as a bird)

Free as a bird (Free as a bird)

(Free free free, my voice can be heard)

My voice can be heard (my voice can be heard)

(Free, free, free, free as a bird)

(Free as a bird)

(Free free free, my voice can be heard)

(my voice can be heard)

Chorus:

(Free, free, free, free as a bird)
Free as a bird (Free as a bird)
(Free free free, my voice can be heard)
My voice can be heard (my voice can be heard)

There's always light
There's always light

Thorough the glass the sky is calling
Tempting, teasing, begging, pleasing
Thorough the glass the sky is calling
Tempting, teasing, begging, pleasing

(Free, free, free, free, free)
Are we lucky? We're not in chains
(Free, free, free, free, free)
Are we the chosen ones, or are we to blame?

Chorus:

(Free, free, free, free as a bird)
Free as a bird (Free as a bird)
(Free free free, my voice can be heard)
My voice can be heard (my voice can be heard)

Chorus:

(Free, free, free, free as a bird)
Free as a bird (Free as a bird)
(Free free free, my voice can be heard)
My voice can be heard (my voice can be heard)

(Free, free, free, free, free)
