Gotta make a start, gonna make a move!

Gotta make a start, gonna make a move!
Gotta make a start, gonna make a move!
I gotta, I gotta, I gotta, I gotta!

Watch me as I rip on the smooth tip!
As I flip, hold on quick!
Don't let me slip; get a grip,
Get a grip on reality!
Wanna get busy?
(Gimme the hump, gimme the pump!)
I'm so full of sensuality,
No back-trackin', 'cause I ain't slackin',
So listen to the lines I'm stackin'!

If I give you my number!
(If I give you my number!)
Will you call?
(Will you call?)
Will you call?
(Will you call me?)
If I give you my number!

(If I give you my number!)
Don't forget!
(Don't forget!)
Don't forget!
(Don't forget me!)

As I checkidi-check-check, check ya out,
On the florr you move like a snake,
Hissing, what am I missing?
(Gimme the hump, gimme the pump!)
Slow kissin'?
Sharp as a razor; I wanna amaze ya, burn like a lazer!
Pick up!
Start up!
Straight up if you're fed up!
Get up! Get up! I won't let up!

If I give you my number!
(If I give you my number!)
Will you call?
(Will you call?)
Will you call?
(Will you call me?)
If I give you my number!

(If I give you my number!)
Don't forget!
(Don't forget!)
Don't forget!
(Don't forget me!)

One love between you and me!
Two hearts in harmony!
Three little words, the rhythm, the rhyme,
For better, for worse, it's about that time!

If I give you my number...
If I give you my number...
If I give you my number...
If I give you my number are ya gonna call?
If I give you my number are ya gonna call?

Gotta make a start, gonna make a move!
Gotta make a start, gonna make a move!
I gotta, I gotta, I gotta, I gotta!

Gotta make a start, gonna make a move!
Gotta make a start, gonna make a move!
I gotta, I gotta, I gotta, I gotta!

If I give you my number!
(If I give you my number!)
Will you call?
(Will you call?)
Will you call?
(Will you call me?)
If I give you my number!

(If I give you my number!)
Don't forget!
(Don't forget!)
Don't forget!
(Don't forget me!)
