(She scores a perfect 10)
(She scores a perfect 10)
She's fine, could she be mine?
Divine, just like sunshine
A girl who's worth every nickel & dime of mine
Any day any time
A girl with pride and the sexiest stride
I'd be proud to have her by my side
Always smilin' she don't need no stylin'
Never ripped, Never torn, she's an art form

Chorus:

(She scores a perfect 10) A perfect 10
(If I see her again) If I see her again
(To her my heart I'll send) My heart I'll send
(She scores a perfect 10) A perfect 10
(I need her) I need her
(To her my heart I'll send) My heart I'll send

She's a success, I'm possessed, Even obsessed
with her every move, she's got nothin to prove
Seriously, she's no novelty, she's a lady see

She's fresh as a daisy, she's driving me crazy
Exciting, inviting in all sorts of ways
She's got flair and grace, she's got the prettiest face
And I savour the flavour that made her

Chorus:

(She scores a perfect 10) A perfect 10
(If I see her again) If I see her again
(To her my heart I'll send) My heart I'll send
(She scores a perfect 10) A perfect 10
(I need her) I need her
(To her my heart I'll send) My heart I'll send

Pretty faces everywhere
Spoilt for choice, a smile, a look, a voice
But there's only one girl in my sleep
At night she makes me weak
Now that I found her, I wanna surround her

Soft as a feather, I wanna get together
Purity, perfection, a perfect 10

Chorus:

(She scores a perfect 10) A perfect 10
(If I see her again) If I see her again
(To her my heart I'll send) My heart I'll send
(She scores a perfect 10) A perfect 10
(I need her) I need her
(To her my heart I'll send) My heart I'll send

Repeat to fade
