We thought it was all over, but it's only just begun
The cup of Eastern Promise in the land of the rising
sun.
It seemed a million miles away, and one things for
sure,
The talk begins of "66", cos we haven't found a cure
Send an S.O.S, a country's in need,
Sven's the man, he's got a plan, we've found a super
swede,
It's a mission reunited, and England comes alive
With Goldenballs as captain, and Heskey makes it five,

We're on the ball, we're on the ball,
We're on the ball, we're on the ball.
We're on the ball, we're on the ball,
We're on the ball, we're on the ball.

Red, white and blue the colours, the whole world in our
hands
The time has come to kick it, Can we kick it?, "Yes we
can!"
Sven's army marching forward, hear three lions roar
We're England forever, now altogether we're on the
ball.

We're on the ball, we're on the ball,
We're on the ball, we're on the ball.
Were' on the ball, we're on the ball,
We're on the ball, we're on the ball.
It's Neville to Campbell, Campbell to Rio,
Rio to Scholes'y, Scholes'y Gerrard.
Gerrard to Beckham, Beckham to Heskey, Heskey to
Owen
To goal, 1-1
It's Nevill to Campbell, Campbell to Rio,
Rio to Scholes'y, Scholes'y Gerrard
Gerrard to Beckham, Beckham to Heskey, Heskey to
Owen
To goal, 1-1

(Repeat the above until fade)
