Gonna feel like hell tomorrow  
So I won't go to sleep tonight  
Na na na na na na sorrow  
Everything's gonna be all right

I am invincible  
I have no fear  
I am benevolent  
I am the king of beers

Yeah, I love all my friends  
I wish they would go away  
I say stupid things  
Forgotten them all by Monday  
Please don't remind me

A man's bar is his castle  
And this stool is my throne  
Why am I such an asshole?  
Why am I here alone?

I am invincible  
I have no fear  
I am benevolent  
I am the king of beers

She's so beautiful  
I swear, I'd sleep with her brother  
I'm so beautiful, yeah  
I never met her but I love her  
Please look over here

I'd take a trip  
But anywhere I'd go  
My head would come along with me

Gonna feel like hell tomorrow  
So I won't go to sleep tonight  
Na na na na na na sorrow  
Everything's gonna be all right

I am invincible

I have no fear  
I am benevolent  
I am the king of beers

I am invincible  
[Incomprehensible] hear me right  
I am benevolent  
I am the king of beers

I am the king of beers  
I am the king of beers  
I am the king of beers
