

Too Much Joy "Theme Song"

Meet our band of merry men
Shake the hand of everyone
We'll eat your food and steal your wives
Buy us beers, we're friends for life

We only shoot when shot at
Give away what we don't need
We live for fun and freedom
We stamp out fear and greed

To create you must destroy
Smash a glass and cry, too much joy

We sleep on floors and live on crumbs
We're a bunch of ugly bums
A great idea when we were smashed
Turning anger into cash

We ain't seen much
But we don't starve
We drive around
In our mom's cars

To create you must destroy
Smash a glass and cry, too much joy
To create you must destroy
Smash a glass and cry, too much joy

To create you must destroy
Smash a glass and cry, too much joy
To create you must destroy
Smash a glass and cry, too much joy

You must destroy
To create you must destroy
To create you must destroy
To create you must destroy

To create you must destroy
Smash a glass and cry, too much joy
To create you must destroy

Smash a glass and cry, too much joy
To create you must destroy
Smash a glass and cry, too much joy
To create you must destroy
